Time: *6:00pm—8:00pm*
Facilitator: *Scott Lewis (PhD student)*
Location: *ONLINE*

Description:

This module will reinstate Jesus as the central focus of our spiritual lives – both as individual disciples and as communities of His people. We will learn about Jesus from the gospels and how He transforms us from the inside out, radically informing the way we approach mission in our culture. This course is a re-invitation to follow Jesus in every area of your life!

Passionate Spirituality: **Living with the Spirit**

Date: *Tuesdays, May 5th—June 2nd*
Time: *6:00pm—8:00pm*
Facilitators: *Scott Lewis (PhD student) & Dustin Dalton (MDiv)*
Location: *ONLINE*

Description:

We will learn about the role and function of the Holy Spirit in our lives, and how mission ought to flow from this experience. And, yes, there will be suggested times when we listen to the HS, then do accordingly (like immersive case studies). We will also explore some false expressions of Christian spirituality, and how it has led to some disastrous outcomes. Expect to be transformed and renewed.

Missional Living: **Wired for Mission**

Date: *Thursdays, May 7th—June 4th*
Time: *6:00pm-8:00pm*
Facilitators: *Jeri Lewis (CCS)*
Location: *ONLINE*

Description:

Over five weeks, participants will not only discover how they are personally wired but how and where their wiring works in the community for Kingdom purposes. They will identify the mission and put it into action. By the last gathering, participants will present a plan of action for launching into the mission that God is calling them. We will reference four books but only require *Kingdom Calling* to read.
